

A BEE R.A.G. Service, Inc  
415 McClellan Ave. Ste.2  
Mt. Vernon, NY 10553

Has been our snow removal company for the last two years and they have been nothing but spectacular.  
They have been prompt in the removal and spread of salt on every occasion since we contracted them.  
No storm was too big to handle. Our previous company was always too busy with their bigger customers  
and we were always neglected. I have never had that experience with A BEE, and Erica Mitchell has  
been the most professional person to deal with in all situations.

I highly recommend their services to anyone in need.-

Thank you.

Sincerely:
